

Start your career in hospitality Financial Management with HOSPA

Learn whilst you earn and study with us on our three-stage, self-study programme in Financial Management

Acquire the knowledge to **manage a hospitality finance department**

Take the first step towards a **professional accounting qualification**

“ A hospitality accountant is a very complete role, combining accounting skills with those of the industry. It’s a very dynamic and challenging environment to work in
Alberto Osorio Ruiz,
Hilton London Metropole ”

“ Being an accountant in the hospitality industry is far more exciting than being an accountant in, say, a bank or insurance company
Dilek Dikmen, Park Inn Leigh ”

Improve your **career prospects** . Employers of our learners include:
Jurys Inns, Jumeirah, Principal Hayley, Hilton Hotels & More

As a graduate, you may be **exempt** from certain levels. For more information, please contact the Professional Education team at HOSPA
